

Companies for Kids Program

Companies for Kids partners can use benefits to reward employees, entertain clients and connect with other community organizations. Our partners enjoy visibility onsite and online as well as custom-designed recognition and marketing opportunities.

A company can expect valuable business benefits from a partnership with Stepping Stones:

- a positive brand image as a good corporate citizen
- exposure to approximately 250,000 Stepping Stones visitors annually
- co-branding opportunities

Add your business to the growing list of companies that support **Stepping Stones** Museum for Children. Companies for Kids supports our *Open Arms* initiative, ensuring that the museum is accessible to all children, regardless of financial, language or special needs barriers.
