Spectacular SPACES at Stepping Stones Museum for Children
Planning a jungle theme for your next junket?
Need to WOW your employees with high-tech tactics?
Looking for a teen-cool venue where they feel like grownups?
Or just a delightfully delicious destination where everyone can be a kid again?

Stepping Stones Museum for Children is the unique choice for a one-of-a-kind event.
Inspiration is the key to every perfect party or event, and choosing the ideal location is the first step to creating a memorable experience for your guests.

We know about inspiration. We know how to dazzle the senses. And with just a little bit of Stepping Stones magic, our talented team knows just how to take your vision and make it a reality.

Located on 5 acres in Mathews Park in Norwalk, Connecticut, Stepping Stones has more than 35,000 square feet of galleries, gardens and exhibit space. From themed parties to simple cocktails, from dinner and dancing to the most high tech multimedia presentations, Stepping Stones provides one of the most elegant venues for ageless fun in Fairfield County.
Simultaneously a theater, technology lab and broadcast-ready environment, the Multimedia Gallery is the perfect space to create meaningful and relevant connections.

Be Grand. Go Global.
Futuristic in style, the museum’s state-of-the-art Multimedia Gallery elevates the museum into the limelight as a premier special event location. With a 35’ x 12’ immersive screen and open floor plan, it is suitable for a wide range of events and programs, including those that require the creation of their own media content. The space has been transformed into an ice palace, ballroom and even a barn. Let your imagination soar!

A 33 foot stage and interactive floor projection technology make this space an exceptional performance or educational venue as well as one of the more unique settings in Fairfield County.

Audio/visual animation technology, professional cameras, video-conferencing, broadcast equipment, and lighting and sound systems allow for the perfect creation of mood and style for a dazzling variety of unique programs and events.

The mission of Stepping Stones Museum for Children is to broaden and enrich the educational opportunities for children ages ten and under and enhance their understanding of the world. The museum seeks to create an environment that inspires lifelong learning and supports parents, caregivers and educators as facilitators of children’s explorations.

To achieve its mission, the museum builds collaborations and pursues strategies that welcome all families to join in the Stepping Stones learning community. As a multidimensional resource in the region, the museum offers exhibits, programs and services that take an interactive approach to promote early learning.

Stepping Stones Museum for Children is an award winning, private, non-profit 501 (c) (3) children’s museum committed to broadening and enriching the lives of children. Proceeds from all facility rentals directly benefit exhibits, galleries and programming.
