

Patriotic Rocks

YOU WILL NEED

- 2 – 3 small rocks
- Acrylic paint
- Paintbrushes or sponges
- 1/4 cup water
- Old margarine containers
- Magic markers
- 1/2 cup white glue
- Some newspapers (to keep your work area clean)

STEPS

1. Clean all the dirt off of your rocks and let them dry.
2. Decide what you are going to create.
3. Begin painting your rock with the designs and colors of your choice. If you like, you can draw some lovely pictures using magic markers instead of paint.
4. When you are all finished decorating and the paint is completely dry, it's time to protect your work by sealing the rocks. Do this by mixing 1/2 cup of white glue with 1/4 cup of water.
5. Brush some of the water/glue mixture onto your rock to seal in the beauty.
6. You are finished and you can move on to the next one. Then take a walk and place your rocks where your neighbors can see them and enjoy!
