Like children outgrowing their clothes, **Stepping Stones** Museum for Children is bursting at the seams. We invite you to join us in our **Growing Together** Community Campaign to build a 22,000 square foot green expansion. You can help us reach our goal by engraving a stone in the Children's Pathway or Garden Pathway.

Children's Pathway

Join Stepping Stones founders with this final opportunity to become part of the Children's Pathway. Celebrate the children in your life with an engraved entry stone on the pathway leading to the museum.
