STEPS

1. Start by asking yourself some questions about what makes someone a hero and why:
 - Is it something they have done?
 - Is it how they make you feel?
 - Do they have super powers?
 - Who is your hero?
 - What did they do?
 - What can your hero teach you?
 - If you could be with your hero right now, what would you say to them?
 - How can you be a hero?
2. Write a note to your hero and tell them how much they mean to you.
3. Now it's time to make a portrait of your hero. Draw or paint a picture of your hero and be sure to show what they do to make them so special to you.
