

School and Groups Virtual Workshops Frequently Asked Questions (FAQ)

How do I sign up for virtual workshops?

Option #1: Email us at schoolsandgroups@steppingstonesmuseum.org

Option #2: Call us at 203.899.0606, ext 264 to register by phone

Does Stepping Stones offer any discounts when booking virtual workshops?

We do! If you book four or more workshops, you will receive 10% off your entire booking.

When is my payment due?

A non-refundable deposit of 50% is due within two weeks of making a reservation.

Final payment is due on or before the first day of the program.

We accept cash, credit card or check for payment.

How many students are allowed in each workshop?

We recommend booking one class per workshop or up to 20 students in order to keep workshops as hands-on and engaging as possible.

What platforms are available for the virtual workshops? When will I receive a link?

We are set up to use Google Meet, Zoom and Microsoft Teams. We recommend each teacher from your school or group set up a link and share it with us. This will help each school manage who has access to the link. Our facilitators will log into the session at least ten minutes before each workshop begins.

Do we need specific materials?

Each workshop will vary, but the materials are very basic. Sample materials include pencil, paper, colored pencil, etc. We will send a list of all supplies needed at the time of booking.

Will students be able to ask questions during the workshop?

Yes! Students and classroom teachers are able and encouraged to type in chat questions or ask questions at any time during the workshop.

What if my school needs to reschedule?

All reservations may be rescheduled after the announcement of a school closing or change in school curriculum delivery (remote versus in-person). All rescheduled programs must occur before August of the following school year.

My classroom has students with special needs, can you accommodate our learners?

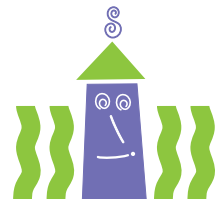

Stepping Stones is ADA compliant and will work with your group to accommodate special needs. Should you require additional assistance, please let us know.

Do you offer workshops in Spanish?

Yes! Tours in Spanish are available with advance notice.
